To our Dear Family, Friends & Community,

Fall of 2017

The Stanley Richard Foundation along with Renaissance the Studio is hosting the 4<sup>th</sup> annual 'Winter White' benefit of the year, **Breathe WHITE for Cystic Fibrosis**, on Saturday, January 27<sup>th</sup>, 2018. The impactful evening will take place at the opulent venue, Raven & the Peach in Fair Haven, on behalf of **STANLEY**, a 14yr old Holmdel boy living with Cystic Fibrosis. This fantastic evening is well attended with community driven residents, local sponsors and noteworthy press, all who come together to make an impact for CF in hopes where one day, 'Cystic Fibrosis' will be deemed as 'Cure Found'.

**Breathe WHITE for Cystic Fibrosis** is a high-end event featuring live musical entertainment, premium open bar, highlighting a vodka martini bar, dancing, fine dining, high end silent auction, all surrounded by the lights and ambiance of a winter white wonderland. The evening will surely be the most exciting celebratory event of 2018 filled with life and a breath of hope for **STANLEY** and Cystic Fibrosis!

We invite you to please join us and lend your support to **Breathe WHITE for Cystic Fibrosis**. Enclosed please find a listing of our exclusive sponsorship opportunities & auction form. As an added benefit, sponsorship levels for our **Breathe WHITE for Cystic Fibrosis** benefit will be tied to the NYC flagship CFF Great Strides walk hosted by CBS, taking place in lower Manhattan on Sunday, June 3<sup>rd</sup>, 2018.

Please know that any contribution would have an impact for **STANLEY** and the 30,000 other children and young adults living with this degenerating disease. Cystic Fibrosis is a disease that effects the lungs, pancreas and leads to life threatening lung infections. The median age of survival is 38 years old. There is NO cure... But there IS hope...

We are so thankful by your support in helping **STANLEY** & kids with Cystic Fibrosis **Breathe WHITE!**

With our family's love & gratitude,

Dawn Buccellato-Zolek & Stan Zolek  
Parents of **STANLEY** and Board Members of  
the Stanley Richard Foundation & the CF Foundation
