To our Dear Family, Friends & Community,

January 2019

The Stanley Richard Foundation along with Renaissance the Studio is hosting the 5th annual benefit of the year, **Breathe WHITE for Cystic Fibrosis**, on Saturday, June 1st, 2019. The impactful 'Summer White' evening is on behalf of **STANLEY**, a 15yr old Holmdel boy living with Cystic Fibrosis. This celebratory evening is well attended with community driven residents, local sponsors and noteworthy press, all who come together to make an impact for CF and **STANLEY** in hopes when one day, 'Cystic Fibrosis' will be deemed as 'Cure Found'.

This year especially is even more of a milestone as we are celebrating **Breathe White's** 5th anniversary as well as the success of **STANLEY's** participation in a groundbreaking clinical trial for Cystic Fibrosis!

Breathe WHITE for Cystic Fibrosis is an impactful summer white event featuring live musical entertainment, a premium open bar, dining, dancing and an exclusive silent auction, all surrounded by the lights and ambiance in a white wonderland. The evening will surely be the most exciting celebratory event of 2019 filled with life and a white breath of hope for **STANLEY** and Cystic Fibrosis!

We invite you to please join us and lend your support to **Breathe WHITE for Cystic Fibrosis**. Enclosed please find a listing of our exclusive sponsorship opportunities & auction form.

Please know that any contribution will have a profound impact for **STANLEY** and the 30,000 other children and young adults living with this degenerating disease. Cystic Fibrosis is a genetic disease that effects the lungs, pancreas and leads to life threatening lung infections. The median age of survival is 38 years old. There is NO cure... But there IS hope...

We are so thankful for your support in helping **STANLEY** & those with Cystic Fibrosis **Breathe WHITE!**

With our family's love & gratitude,

Dawn Buccellato-Zolek & Stan Zolek
Parents of **STANLEY** and Board Members of
the Stanley Richard Foundation & the CF Foundation
